

ALMA SURPRISES KAZOO WARRIORS

CAMPBELL'S ELEVEN UPSETS
DOPE AND HOLDS KAZOO TO
TWO TOUCHDOWNS.

Camp Youngs's Kalamazoo College Michigan Intercollegiate Champions were forced to battle to the limit Saturday on a muddy field to defeat the Maroon and Cream aggregation by a score of 15 to 0. Even this score does not show the battle that the Campbell's clan waged, as a penalty, which gave Kalamazoo the ball on the Alma five yard line, was the direct cause of the second touchdown made by Kalamazoo, and which it developed could not have been made otherwise.

To start Alma kicked to Kazoo. Casteel being downed on the Kazoo 40 yard line. Vroeg, Kreuz and Casteel carried the ball to the 30 yard line, where Shaver dropped on a Kazoo fumble. On the first play Alma was offside. Wright made 13 around left end. Foster failed to gain. Wright slipped in the mud and lost 2 yards. Alma punted, Kazoo getting the ball on her 40 yard line. Taylor ripped off 17 yards around left. Casteel made 7. Casteel lost 5. A pass failed. Vroeg failed to make it first down and Alma took the ball on the Alma 24 yard line on downs. Foster lost 2 yards. Alma lost 5 yards for offside. Anderson went back to punt. The pass was high, going over his head. He raced back and dropped on the ball behind the goal for a safety, giving Kalamazoo two points.

It was Alma's ball on the 20 yard line. A pass failed. A pass Casteel made to Wright gave 2 yards. Kazoo was penalized 15 for roughing. Anderson smashed through the center of Kazoo's line for 15. Two plays failed to gain and Alma punted. Casteel made 9 and then went around left for 40 yards to the Alma 26 yard line. Shaver intercepted a pass. Alma failed to gain and punted. A pass Casteel to Doyle gave Kazoo 20 yards. Taylor laid out on the sidelines, and Casteel passed to him, Taylor having no trouble running the last 20 yards to the goal. Casteel goaled.

Immediately after Casteel tore off 35 yards on the kickoff to the Alma 40 yard line time was called for the quarter. After two exchanges of punts, Alma took the ball on her own 15 and started a driving attack with Wright, Catherman and Anderson slashing the line. A pass from Catherman was missed by Waggoner, but Sartor nailed it, for a 35 yard gain. Wright added nine more. Alma was penalized fifteen and failing to gain on passes punted behind Kazoo's goal. The ball went in to play on the Kazoo 20. Kazoo was forced to punt, and recovered when Alma fumbled. Catherman intercepted a pass on the Alma 19. Alma was held and started to punt. Kazoo blocked the kick and recovered on Alma's 11 yard line. The half ended with the ball in Kalamazoo's possession one foot from the Alma goal.

Kalamazoo kicked to Alma, and recovered her own on sidekick on the Alma 44 yard line. Spurgeon gained a yard. Vroeg added another. Casteel made it first down. A pass Casteel to Coleman gave 10. Alma was penalized for roughing and Kalamazoo got the ball on the Alma 5 yard line. Spurgeon failed to gain. Vroeg gave three yards. Spurgeon again failed to gain. On the fourth down Casteel took the ball and when the pile was uncovered, it was seen that the front end of the ball was resting on the line and the officials ruled a touchdown. Two inches back and Kalamazoo would have lost the ball on downs. Alma blocked the attempt at goal.

From this on Alma carried the fight to Kalamazoo, practically all of the play during the balance of the game being in Kalamazoo territory. Twice

Rathsborg jumped into the linelight, the first time intercepting a Kalamazoo pass behind the Kazoo line and almost getting away with it on the 40 yard line. On the third play, however, Casteel intercepted an Alma pass. Then it was that Alma forced Kazoo to punt for the final time of the game. Alma took the ball in her territory and started a slashing attack through the line and around end and was far in Kalamazoo territory when time was called bringing the fray to an end.

It is hard to give any one man credit for the showing of the team Saturday. Every man played brilliant football for the Maroon and Cream. Wright, Anderson, Shaver and Catherman possibly excelling in the work.

The Kalamazoo victory is written in few words—Casteel, without whom the visitors could not have put over a win and clung to the title that they had so apparently won by defeating Albion two weeks ago.

MR. CHEVROLET OWNER,
READ—

To Chevrolet Engineers, the new management said at the beginning of this year:

"We want each Chevrolet model to stand for the best in design and construction."

"The Chassis must be as sound as a hundred year old oak. The relationship of one unit to another must be true and accurate."

"The motor must be both economical and have plenty of power. The design and construction must represent the latest accepted practice."

"Each casting, each millling operation, each fitting must be correct. Accuracy must prevail in every detail of design, of construction, of finish."

"The clutch must do its work easily and correctly. The transmission gears must be made of durable material and mesh quietly."

"Each unit must be of sufficient strength to enable it to perform its work properly in connection with the unit ahead of it, or directly back of it."

"There must not be a 'weak spot' in the whole Chevrolet Chassis."

"It must be better than the most popular medium priced chassis built."

"And today, the Superior Chevrolet represents the efforts of the entire Chevrolet organization, for it has worked as one man since January 1, 1921, to bring into effect these new Chevrolet ideals."

"Today, the Chevrolet is a much better car than ever before. Mr. Chevrolet Owner, you have every right to be really proud of your new Chevrolet."

CHAMPIONSHIP COMING TO ALMA

SHOW EARLY SEASON FIGHT
AND DEFEAT BRECKENRIDGE
HIGH 46 TO 0.

The Alma High School football team returned to early season form Tuesday and walloped the Breckenridge High aggregation to the tune of 46 to 0 and thereby annexed the championship of the county.

Like the Alma team, the Breckenridge aggregation had defeated Ithaca and St. Louis, the former by a larger score than the 6 to 0 count that Alma had on Ithaca. In addition Breckenridge caught Alma napping once during the middle of the season and held the locals 12 to 12 on the local grid. As a result it had been expected that the Alma team might be hard pressed by Breckenridge. Instead, however, Alma put up the brand of football that she displayed in her two early games against Saginaw and Flint, and not once during the fray did the Breckenridge outfit really get near enough to the Alma goal to threaten to score.

Alma had little difficulty in gaining ground on the Breckenridge eleven at any stage of the game. Elias, Handley, Sartor, Wallace, and the other backs gained almost at will. Elias in particular was a big ground gainer for the locals.

High School Loses Again

Alma high's football team continued its downhill slide Friday, after a brilliant early season start, and was defeated by St. Johns at St. Johns by a score of 14 to 0, the Clinton county aggregation getting a touchdown in each half.

Mullin's outfit tried hard to stem the tide near the end of the first half, when a march was started to the St. Johns goal, but it proved too late to give the locals a counter, as the half came to a close with the ball still five yards from the goal. Late in the second half Alma again attempted a rushing attack, which came to an end with the close of the game with the Orange and Black about ten yards from the goal.

Elias, Anderson and Marzoff played stellar games for the Alma eleven.
